

In August 2015, we signed the Fair Funerals Pledge, becoming the first Funeral Director in Cumbria to do so. The pledge is a commitment to the following:

1. We recognise funerals can be expensive and many people struggle with the cost.
2. We help people to find funerals that are within their means.
3. We will be open about our most affordable options: in initial conversations, within our price lists and on our website (including third party costs).

Although we have always adhered to each of the above for some time, we feel it is important to show our support for the campaign, which has the aim of ending funeral poverty.

Our *Simplicity* funeral options allow for a simple, straightforward cremation service that removes much of the worry from you at an already difficult time.

Available across the West Cumbria area, this service is ideal for situations where – whether through choice or necessity – a low-cost, simple funeral is appropriate.

*Simplicity* represents a dignified service that includes the basic elements of a funeral in three service levels, to suit individual requirements.

*Simplicity I* is our most basic service, which involves bringing the deceased in to our care, provision of our simple coffin and care of the deceased. On a day and time of our choosing, we will transport the deceased to a crematorium of our choosing for the cremation to take place. The cremated remains will be strewn in the crematorium grounds. Perfect where cremation only is required.

*Simplicity II* offers mourners the option to attend the crematorium to say a simple farewell. Although there is no formal funeral service, there is the option to play music at the crematorium to enable time to reflect. An option to retrieve the cremated remains is included, giving the opportunity to scatter the ashes privately.

*Simplicity III* provides all the elements of a basic funeral. This package is ideal for those wanting a low-cost service, but one which includes a ceremony led by a celebrant\*. A complete choice in day and time is offered, as is a formal procession from a local location of your choice. All we ask is, if you require a funeral reception, flowers or press announcements, you arrange and pay for these items personally. We will, however, advertise the arrangements on our website, if required.

The three carefully considered packages include some additional cost options, as follows:

- Embalming £200
- Family limousine (7 passengers) £210 for one, or £315 for two.
- Family people-carrier (8 passengers) £180
- Order of service sheets (4 page standard) £1.75/sheet

Notes to asterisked items:

\*We have based these costs on provision of a Funeral Celebrant. Costs may vary for an alternative celebrant, e.g. Minister or Priest. We can advise of any fees over and above those stated.

\*\*Third party fees are based on the following:

- Cremation of an adult Copeland resident at Distington Hall £813
- Doctors fees for the completion of forms for cremation £164
- Funeral Celebrant (if applicable) £160

A more comprehensive service is listed in our *Tailored* price list, available on request..

All costs are correct at the time of printing. Costs accurate as of 18 February 2019.

A payment to cover the costs of third parties is required before the funeral takes place.
