

We are signatories of the Fair Funerals pledge 2020, and commit to the following:

- We will help people to find funerals that are within their means.
- We will be open about the price of our services, including third party costs:
In initial conversations, within our price lists and on our website.
- We will be open about the amount of any deposit we require,
and when this and the final balance are due:
In initial conversations, within our price lists and on our website.

By signing the Fair Funerals pledge 2020, funeral directors become part of a community of directors who agree to put transparency and honesty at the centre of their work, and who aspire to be the change we all want to see within the funeral industry.

Our *Simplicity* funeral options allow for a simple, straightforward cremation service that removes much of the worry from you at an already difficult time.

Simplicity represents a dignified service that includes the basic elements of a funeral in two service levels, to suit individual requirements.

Simplicity I is our most basic service, what is known as a Direct Cremation. This involves bringing the deceased in to our care, provision of our simplest coffin and care of the deceased. On a day and time of our choosing, we will transport the deceased to a crematorium of our choosing for the cremation to take place. The cremated remains will be strewn in the crematorium grounds, or returned to the applicant, if preferred. This is a non-attendance cremation, mourners are not permitted to attend or request music. Perfect where cremation only is required.

Simplicity II provides all the elements of a basic funeral. This package is ideal for those wanting a low-cost service, but one which includes a ceremony led by a celebrant (see note 1). A complete choice in day and time is offered, as is a formal procession from a local location of your choice. All we ask is, if you require a funeral reception, flowers or press announcements, you arrange and pay for these items personally. We will, however, advertise the arrangements on our website, if required.

The two carefully considered packages include some additional cost options, as follows:

- Embalming £200
- Alternative ashes container *from* £35
- Limousine (7 passengers)* £210 each
- People-carrier (4/8 passengers)* £150/£190
- Order of service sheets (4 page standard) * £1.75/sheet

**Available with Simplicity II only.*

Notes:

1 - We have based these costs on provision of a Funeral Celebrant. Costs may vary if you require an alternative celebrant, e.g. Minister or Priest. We will advise of any differing fees.

2 - Third party fees are based on the following:

- Adult Copeland resident cremation at Distington Hall £775†/£875 (£530 if Simplicity I)
- Doctors fees for the completion of forms for cremation £164
- Funeral Celebrant (if applicable) £160

†Price applicable to 9:00am Distington Crematorium time slot only, otherwise £100 extra.

If you are using this guide as part of a pre-paid funeral plan application, please include Golden Charter administration fees: £249.00

All costs are correct at the time of printing. Costs accurate as of 1 April 2020.

A payment to cover the costs of third parties is required before the funeral takes place.

A full estimate will be provided before the funeral takes place, the balance is due 30 days from our account. We reserve the right to request full advance payment.
