Our *Simplified* funeral options allow for a simple, straightforward cremation service that removes much of the worry from you at an already difficult time.

Simplified represents a dignified service that includes the basic elements of a funeral in two service levels, to suit individual requirements.

Simplified I is our most basic service, what is known as a Direct Cremation. This involves bringing the deceased in to our care, provision of our simplest coffin and care of the deceased. On a day and time of our choosing, we will transport the deceased to a crematorium of our choosing for the cremation to take place. The cremated remains will be strewn in the crematorium grounds, or returned to the applicant, if preferred. This is a non-attendance cremation, mourners are not permitted to attend or request music. Perfect where cremation only is required.

The basic price is £1,395. Doctors fees for completion of cremation forms (if required, £82/doctor) are in addition to this price. Full advance payment is required for this package.

Optional extras are as follows:

- Embalming _____ £200
- Alternative ashes container _____ from £35

Simplified II provides all the elements of a basic funeral. This package is ideal for those wanting a low-cost service, but one which includes a ceremony led by a celebrant.

A complete choice in day and time is offered, as is a formal procession from a local location of your choice. All we ask is, if you require a funeral reception, flowers or press announcements, you arrange and pay for these items personally. We will, however, advertise the arrangements on our website, if required. The total of the third party fees is payable before the funeral.

The basic price is £2,850, based on the 9:00am Distinguon Crematorium time slot, otherwise £110 extra. Doctors fees for completion of cremation forms (if required £82/doctor) are in addition to this price. We have based these costs on provision of a Funeral Celebrant. Costs may vary if you require an alternative, e.g. Minister or Priest. We will advise of any differing fees.

Optional extras are as follows:

- Embalming _____ £200
- Alternative ashes container _____ from £35
- Chauffeur-driven Mercedes-Benz V-Class passenger vehicle (7 guests) _____ £220.00
- Chauffeur-driven SEAT Alhambra passenger vehicle (4 guests) _____ £160.00
- Order of service sheets (4 page standard) _____ initial charge £25, then £1.50 each

If you are using this guide as part of a pre-paid funeral plan application, please include Golden Charter administration fees: £249

All costs are correct at the time of printing. Costs accurate as of 1 April 2021.

Costings for a simple burial rather than cremation can be arranged.

We reserve the right to request full advance payment for a Simplicity II package.
